PETROGRAD, Sept. 18 .- A terrific battle for the possession of Vilna has begun. The Germans are making a smashing attack to the east of the Several Teuton detachments have pushed their way to the Novo Vilesk-Molodechno railway and are now attempting to pierce the Russian

An official statement today emphasized the fact that the struggle around Vilna is the greatest on the present front, stretching from the Baltic to Galicia. German successes in the Vilna region have been offset by defeats to the southeast. At some points the Austro-Germans are fleeing in disorder before the Russian offensive.

It was officially announced that the German attempts to advance on the Vilna-Lida rallway had been repulsed heavily. It was admitted the enemy occupies Redkouny, south of Datishki, after a stubborn conflict, and also occupied the village of Sha-

Berlin and Vienna Enthusiastic Over Plan to Invade Serbia and Join Hands With Bulgaria.

GAMPAIGN WOULD BE BRIEF

Military Authorities at German Capimi Believe It Would Be An Easy Mater to Crush Serbia If Quick Blow Is Deatt—Bulgaria Favorable to the German Cause.

BERLIN, Sept. 18 .- One mighty blow in the Balkans may end the through Serbia to Bulgaria, the Austro-Germans may not only settle the vexatious Balkun question, but likewise bring an early peace. Both here and in Vienna, the idea of a sudden stroke in the Balkans meets with

hearty popular approval. In Vienna particularly, press reports that the Austro-Germans will soon invade Serbia are widely commented upon. Vienna believes that no other move promises such an early end to the struggle. Military officials agree t would be comparatively easy to defeat Serbia. Then a short march would link up the central empires with Bulgaria, which already is most friendly to them.

If Bulgaria fights at all, it is cer-tain it will be beside the central empires.
